EL PASO OBSERVES THANKSGIVING DAY

Thanksgiving, the national holiday, was observed in El Paso with flying flags and the true holiday spirit. It was ushered in Wednesday night with the charity ball. The banks, federal building, and other public offices were closed all day Thursday. The postoffice was open from 10 until 11 and the stores all closed at noon.

At 10:30 the union church services were held at the tabernacle, at which Dr. E. J. Bulgin preached and a special musical program was given by George L. Rose and a special choir.

At Temple Mt. Sinai the Congregational church joined with the congregation of the temple in holding a citizens' Thanksgiving service. The sermon was given by Rev. Miles C. Hanson, pastor of the Congregational congregation. A Krakauer read the president's Thanksgiving proclamation and the prayer was given by Rev. M. F. Faber of Trinity, and the music was by the temple choir.

At noon, Thanksgiving dinner parties were given in almost every home in El Paso. Guests were here from Mexico, Arizona and New Mexico for the feast day and many family reunions took place. For those who were not fortunate enough to be at home for dinner and had not been invited out, the clubs and restaurants and hotels served special dinners.

Y. M. C. A. Dinner.

The annual dinner for the young men away from home was given by the Y. M. C. A. at the Woman's Exchange restaurant. The program included a talk by Dr. E. J. Bulgin, a description of a Thanksgiving at the Y. M. C. A., a talk on a real, old-fashioned Georgia Thanksgiving by Henry Crawford, the Lew Dockstader of the Y. M. C. A., General secretary H. B. Durkee of the Y. M. C. A., asked the blessing and N. M. Walker presided.

At Y. W. C. A. rooms on Texas street the Young Women's Christian association gave its first annual Thanksgiving dinner for the young women of the city.

Your Freckles

Need Attention in November or Face Will Stand Covered.

November is the time to take special care of the complexion if you wish to look well during the winter. The autumn sun and winds have brought out freckles that will stay all winter unless removed now with Othine—double strength.

This prescription for the cure of freckles is the discovery of an eminent skin specialist, and is so uniformly successful that it is sold by Potter Drug Co. under the guarantee to refund the money if it fails. Get an ounce of Othine—double strength, and even the first night's application will show a wonderful improvement, some of the smaller freckles even vanishing entirely. Be sure to ask for the double strength Othine, as it is sold under guarantee of money back if it fails to remove the freckles.

This, like the men's dinner, is to be made an annual affair.

Newsboys Are Fed.

The Sunshine society cared for the newsboys of the city on the day when eating is the thing. Gathering in San Jacinto plaza at 11 o'clock more than 150 little newsboys, bootblacks and messenger boys of all sizes, ages and colors, marched to the Pullman cafeteria, where a typical Thanksgiving dinner was served. Each boy received in addition to the big feed a bag of candy and an apple. The Herald newsboys headed the parade with an American flag and a white flag on which was printed: "To the Ladies, Herald Newsboys. We Love Sunshine." This flag was carried by James Napoles, better known in newsboy alley as "Indio," and the American flag by Handball Workman. The newsboys, messengers and bootblacks were all provided with tickets and every kid got a feed who appeared at the cafeteria.

Free Dinners.

More than 300 hungry families received dinners from the Woman's Charity association for Thanksgiving. Up to 6 o'clock Wednesday night 200 had been distributed and several more were sent out Thursday morning by Mrs. H. Grace Franklin, who kept the office open until 1 o'clock for the purpose.

The losses, as determined at present, include two gold watches, one gold locket, an opal ring and some stick pins. The front door of the house was found barricaded. It is thought the robbers had hopes of benefiting themselves from the sale of tickets for the charity ball, as Mrs. LeBaron is treasurer of the association. All funds belonging to the organization, however, had been deposited.

SUFFRAGETTES GLAD TO GET JAIL TERMS

London, Eng., Nov. 24.—All suffragettes who were charged with assault and wilful damage to property as a result of their rioting during the last few days, were found guilty today and sentenced to a fine of \$25 or two weeks or a month in jail. All prisoners elected to go to jail. Many apparently were eager to become martyrs, and created much amusement yesterday in court by busying themselves with knitting or fancy work, which they brought along with extra clothing, anticipating a jail sentence.

At Kansas City the universities of Kansas and Missouri played probably for the last time in a large city, as objections to that game being commercialized have caused the faculties to rule that the future games must be played either in Lawrence, Kans., or Columbia, Mo.

Fat Folks Favor

Home Mixture That Takes Off Fat Rapidly—Causes No Wrinkles—No Stomach Ills and Requires Neither Dieting Nor Exercise.

Too much fat is both uncomfortable and dangerous, but usually fleshy people prefer to put up with its inconvenience rather than punish themselves with the tiresome exercising usually prescribed, or endanger their health in overabundant fat is entirely unnecessary, however, as Mrs. Luella Bigger tells us there is a home receipt that will buy for the system reducing superfluous flesh. It is said this simple mixture will take the fat off of men or women at the rate of at least a couple of pounds a week without even causing wrinkles. Moreover it does not disturb the stomach, but is a good thing for the system clearing away pimples, and, best of all, it does not interfere with the diet. You can use it and at the same time eat whatever you like. This receipt is as follows: 1 ounce Marmola; 1 ounce Fluid Extract Cascara Aromatic; and 34 ounces of Peppermint Water. Get these ingredients at any drug store, mix them together at home and take one teaspoonful after each meal and at bedtime.

Mrs. Bigger, as is well known, is a famous beauty expert, and whatever she recommends is sure to be found eminently satisfactory.
